Garage Sale at

St. Pail United Methodist Church

Let's help our partner at our Eyeglasses Clinic. They are asking for donations to a garage sale planned for Saturday, March 24. Donations accepted at the church starting Wednesday March 21.

For more information call:

Dr. Chris O'Conner 584-6248
Tommy Jaramillo 236-4157

Proceeds will be used to support a medical mission to a third world country.

The church was very instrumental in getting our Clinic started. Ladies from the church manage the clinic and Dr. O'Conner gives most of the eye exams and got all the equipment needed donated.
